

Important Helicopter Baggage Information

Today you will be transferred to your island resort via helicopter. Due to the size and uplift limitations of this aircraft there are restrictions imposed on how much weight and volume that can be transported via air. This is important to adhere to both for the safety and comfort of the flight.

The helicopter baggage limitations are as follows:

1 x Medium suitcase per passenger (20kg max)

1 x Small carry-on item per passenger (10kg max)
